

GOVERNANCE: A VERY SHORT INTRODUCTION

The word "governance" is ubiquitous. The World Bank and the International Monetary Fund make loans conditional on "good governance." Climate change and avian flu appear as issues of "global governance." The U.S. Forest Service calls...

Reader's Opinions

Governance is one of those phrases that have been featured in the news a lot lately. I most frequently come across it in the context of corporate governance, but other usages (public governance, global governance, etc.) have also crept up into my peripheral vision. This word is for the most part pretty self-explanatory, but I wanted...
