

AMAZON SELLING BLUEPRINT - HOW TO FIND AND LAUNCH YOUR FIRST PRIVATE-LABEL PRODUCT ON AMAZON IN 90 DAYS OR LESS

Have you heard stories about people striking it rich by selling their own private-label products on Amazon? Wish you could have financial freedom and more time with your family just like those other folks? While it does require work on your part, it's easier than you think. I'll gladly show you the exact steps I took to choose and launch my first private-label product. I generated over...

Reader's Opinions

Broke it down in plain English I have been looking to do fba for a while and this book was a great starting point at doing just that. I just wished it went into more detail about certain things like fba fees and "buy boxes". Overall though great book to get started!

It is great that Scott has created in written what he has been talking about on his podcast. I am extremely grateful because books have a structure which is easier to follow....
